Curator quote

"Influenced by 15th Century witch trials, the Second World War, Architecture and grand spaces, Autumn/Winter 2011 will keep us warm in slim waisted trousers, deep pleats, capes, corsetry, long dresses in the most sensuous natural and sustainable fabrics and leathers. A very promising new generation of DEBUT labels will bring hidden treasures, secrets and a touch of space travel."

Newly introduced in Sydney 2010 as stand alone feature, the **AVANT GARDE GALLERY** at FASHION EXPOSED features the most flamboyant and spectacular costume and couture designs from the most talented fashion design students across the country and New Zealand.
